Re: 14th Annual Fox Mountain **COUNTRY MUSIC** Festival, August 3-4-5-6th, 2017

Hello Friends:

Happy New Year to one and all!!!

Well, in the Nov. newsletter I said that we had escaped any major snow storms at that time. However, over the weekend it has been a different story. We had about 30 cm and we were luckier than some places. Our one daughter said they got about 50 cm. where she lives. But today the sun is shining and we have already been plowed out and still Gerald used our snow blower for about two hours around the shop and we have all the vehicles cleaned off. They call this one a fast moving storm, so I consider we are lucky that it is not hanging around and bringing with it lots more snow. This is enough for this one. -16.6 c as we speak with a wind chill factor of -25c

With Christmas and New Year's over, it's time to look ahead. I wish all of you good health and happiness in the months to come.

.....

As you know, the purpose of these emails (newsletters, as I call them) is to keep in contact with you and to let you know the plans for this year's country music festival at the Fox Mountain Camping Park. I am still waiting on a few more confirmations from people whom I have invited to perform at this year's event. I will make mention of all of them in upcoming newsletters. I actually do have programs on my computer that would allow me to do an actual newsletter with all the trimmings, but I never learned those programs, and so I resort to just typing my info in a regular email. So far it's worked for me for 14 years of doing the festival, so I figure, why stop now. ☺

.....

Thanks to those of you who purchased tickets for friends or relatives for Christmas gifts. It is certainly appreciated. I've already had payments as well from others who don't want to miss out on their tickets and sites for 2017.

We have a website www.foxmountaincampingpark.com/country where you can find out information and if you are on Facebook, follow us at Annual Fox Mountain Country Music Festival organized by Joyce Seamone. If you have more questions please don't hesitate to call or email me.

Festival Sponsors:

Sponsorship opportunities provide maximum visibility for your company or product. If you would like to advertise in the program given out at the gate at the festival, or in this newsletter, please contact me to discuss options.

Until next time, my personal thought for today is: **Choices: Only we can make the choices for ourselves, whether right or wrong. If it's the right one, then we can reap the benefits. If it is the wrong one, all we can do is learn from our mistakes.**

Please feel free to forward this e-zine and websites to your own email list. We can't do it alone and can use all the help we can get.
