Re: 14th Annual Fox Mountain **COUNTRY MUSIC** Festival, August 3-4-5-6<sup>th</sup>, 2017

Hello Friends:

In a few short weeks it will be officially spring and as the time springs ahead our daylight hours will become longer. If we do get any snow, it won't last long as the sun seems to already be warmer as each day passes. The flowers will be pushing out from their long winters nap and we will hear the most significant sign, the peepers will be out in full force.

I am looking forward to bringing to you the sounds of country music in the form of the following bands. Denim Blue-NS, Stagecoach-NS, Tammy Adams-NS, Sidekixx-NS, Joan Kennedy-NB, Steve Lyons & Reg Gallant and Yesterday's Wine-NB, Ruth Manning and the Prospectors-NS, An Evening of Gospel-NS, Sonlight-NS, Yesterday-NS, Melissa Hunt-NB, Jamie Cotter-NS, Connie Stokes-Munroe-NS, and of course, Joyce Seamone & Total Country-NS.

As I get photos from the entertainers we will publish them at:

People are already anxious for the days ahead when they can go camping. I've been getting many inquiries from all over the province as well as neighbouring provinces, as to exactly what can people expect and what are the prices. Please direct your friends to the website that I mentioned above for a list of prices for the festival or if they don't happen to have a computer, I am just a phone call away.

Until next time, my personal thought for today is: My husband, Gerald, thought it was +10 on the little readout gizmo (weather station) in our kitchen this morning. HA! He just had to step outside to realize it was a minus, and not a plus. Do not be discouraged, Gerald, there are better days just around the corner. We just have to be patient. That goes for anyone reading this as well.

**\*\*Please feel free to forward this e-zine and websites to your own email list. We can't do it alone and can use all the help we can get.**
