Re: 14th Annual Fox Mountain **COUNTRY MUSIC** Festival, August 3-4-5-6th, 2017

Hello Friends:

Although we are not completely out of the woods yet with old man winter I spotted some flowers growing outside my house the other day which made me smile and warmed my heart. I have yet to hear any peepers where I live, but I am actually looking forward to their songs because then I know spring has sprung at last.

In today's world we all seem to be so busy in our own way. If you are like me, every day it seems that I get more and more emails to sort through. I hope that when you get my emails that you find them interesting and if you have friends who you know that don't get them, just ask them to email me and I will add them to my list. If for some reason the information is not interesting nor applicable to you, you can always unsubscribe. (I do that quite frequently myself with "stuff" I'm not interested in getting from people).

Many people have questions about the festival, so don't hesitate to call or email me. There is also a website where you can get lots of answers to your questions. On the website you will find a list of all the entertainers, pricing, previous newsletters, a site map showing the layout of the camping park, etc. We also have a presence on face book. Here is the info for the website, www.foxmountaincampingpark.com/country and here is the info for face book, Annual Fox Mountain Country Music Festival organized by Joyce Seamone. On face book you will find videos of performances from over the years.

You have no idea how many inquiries I get from individuals or bands who want to perform at the festival. I have to say in all honesty that over the years I have accumulated so many contacts that I could run a festival for several weeks and never run out of entertainers. This August it is a pleasure to bring to you the following line up: Joan Kennedy (NB), Denim Blue (NS), Steve Lyons & Reg Gallant and Yesterday's Wine (NB), Sidekixx (NS), Yesterday (NS), Stagecoach (NS), Tammy Adams (NS), Ruth Manning and the Prospectors (NS) as well as the gospel groups of Sonlight (NS) and An Evening of Gospel (NS) and your hosts Joyce Seamone and Total Country. Performing along with our band will be Joe Casey (PEI), Randy Satchell (ON), Melissa Hunt (NB), Jamie Cotter (NS), Connie Stokes Munroe (NS), and Gail Seamone Conrad (NS). If you can attend the entire four days, that's wonderful, but if you can come only at certain times, if you go to the website you can find a link that gives you the entire times that each performance will take place.

There are so many aspects of the festival that people do not seem to know about and although this newsletter might be a bit lengthy, I want to cover a couple of things people are always asking me.

- No, this is not a festival for camping only. If you don't have any means of staying at the camping park, you can still come anyway. The more the merrier.
- The Slumber Inn, New Minas, NS, (902 881 5000) is one of my sponsors, and they have given me a special rate for those attending the Fox Mountain Country Music Festival. All you have to tell them is that you are attending the 14th Annual Fox Mountain Country Music Festival and show them your bracelet upon check out to get the special rate.
- For those who live close enough to their homes, you can come and go as time allows.
- Yes, if you are not camping there, you can still purchase a four day pass prior to July 1st at the early bird rate.

So, you have a lot of options to take advantage of.

A bit about Festival Sponsors:

Sponsorship opportunities provide maximum visibility for your company or product. If you would like to advertise in the program given out at the gate at the festival, or in this newsletter, please contact me to discuss options.

We have been appreciative of the following business that has been a sponsor for many years. Thanks AT ORANGE RV INC. Please see what they have to say:

AT Orange RV Inc. Optimized Service Plan:

PLANNED BY US, MADE FOR YOU

We have created this service plan for our 10th Anniversary. Since we have been in business we serviced (camper & drive train) many RV's and seen that preventative maintenance could have saved many \$\$\$.

We make sure that our plan fits the way you are using your RV.

The better we know your RV, the better we can support it. That's why we take the time to meet with you and discuss your situation.

For example, you are a seasonal camper or traveling across the country or it might suit you to have servicing done at a specific time of year. Your Optimized Service Plan

outlines all the maintenance, your specific vehicle will need over a set period of time, e.g. 12 months. It will detail exactly when each specific action needs to be taken.

If you change your RV use in the future, you will receive a new Optimized Service Plan, updated with the new details. All work undertaken on the RV will be documented, to maintain the vehicle's value.

AT ORANGE RV Optimized Service Plan is the simplest, most efficient way to keep you and your RV Happy Camping!
