Re: 15<sup>th</sup> Annual Fox Mountain **COUNTRY MUSIC** Festival, August 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup>, 2018

Hello Friends:

According to the calendar, Sept 22, 2017 was the first day of fall. I hope that those few days in Sept., when temperatures rose, and we had some unusually dry, hot, weather, was not an early Indian summer. I certainly hope not as I'm still looking forward to that period coming up sometime this month. I hope that it is in a weeks-time as I'm travelling to NB and hope that the autumn leaves have turned in all their splendor to make it a most enjoyable drive.

This newsletter is an important one because it is a reminder that Nov. 1<sup>st</sup> deadline is less than a month away. I will try and make this as clear as possible and if you don't understand it, please call me.

If you were at this year's country music festival at the Fox Mountain Camping Park and are planning to come back next year, you **MUST** let me know, if you have not already done so, by Nov. 1<sup>st</sup>. I will then reserve your site.

After Nov. 1<sup>st</sup>, if I have not heard from you, I will then be filling your sites with people who have not been there before. I'm pleased to say that I've had new people calling me which means I already have a waiting list.

If those of you who have sites booked but would like to try and move to a different location, as sites become available, I cannot accept your requests until after Nov. 1<sup>st</sup>.

I believe that although it is an enormous amount of book work switching people around, a happy camper makes for a successful festival. I will try my best to accommodate your requests.

.....  
The second important thing is that the park owners have not had an increase in fees for quite some time. For the 2018 Country Music festival the prices will be as follows for four days:

Early bird price per person from now till July 1<sup>st</sup>, 2018 will go to \$70.00 including tax (instead of 60.00) for the four day festival.

After July 1<sup>st</sup>, 2018 the price per person will go to \$85.00 including tax (instead of \$75.00) for the four day festival.

Until next time, my personal thought for today is: **Since the festival season is almost to a close in most places, please support live music whenever possible at a venue near you. There will be lots of shows for you to attend over the next couple of months and there is nothing**

more satisfying for an entertainer than to look down from the stage and to see a full house of people who have come to support them.
