Re: 15th Annual Fox Mountain **COUNTRY MUSIC** Festival, August 2-3-4-5th, 2018

Hello Friends:

Well, the first day of spring has come and gone bringing with it all kinds of changes. Peepers is the first thing that comes to mind, but actually I had a few crocus pop their heads through the ground, long before I heard the peepers. There are a few buds on some of the bushes, another good sign. And I love to see the daylight hours lasting well into the evening. I see all kinds of RV's on the highways as well as people pulling their boats. All good signs of better days ahead.

.....

I feel that I have a firm grasp of the kind of country music that my audience appreciates. I do my best to make sure everything goes smoothly from the earliest stages of the event to when the bands are packing up and all the fans are heading home. In order for the festival to run smoothly, I have a few select people who help me every year who I certainly appreciate, people I have brought on board who are permanent team members. The owners/employees of the park put forth their best effort every year as well and for that I can't thank them enough. Everyone is quite capable of multi-tasking, and troubleshooting unexpected problems. I have a passion for what I do and hope that it shines brightly. When you see me "out front" that is how you see me. But truth be told, 80% of my days throughout the year are actually spent on the phone with performers, as well as in front of my computer responding to emails, texts and phone calls and promoting the festival. When the weekend is over, and you leave the festival, I hope I've created some lasting memories for you for years to come.

My phone has been busy with calls from people paying for their tickets/sites, and I see comments on face book from those anxious for the up-coming festival. All the photos from the entertainers as well as the program can be found by clicking on www.foxmountaincampingpark.com/country. Please direct your friends to the website that I mentioned above for a list of prices for the festival or if they don't happen to have a computer, I am just a phone call away.

If you are on Facebook, follow us at Annual Fox Mountain Country Music Festival organized by Joyce Seamone. There you will find videos of some of the entertainers for this year, as well as entertainers who were there in the past. If you have not paid attention in previous emails, here is the lineup for this year once again. Dave Coggins and Bonded Stock-NS, Jake Duggan Band-NS, Matt Balsor & the Hilltop Showband-NS, Next Generation Seaboyer Band-Ont, Sonlight-NS, Ron Verge & Friends-NS, The Country Outlaws-NS, Steve Lyons/Reg Gallant and

Yesterday's Wine-NB, SideKixx-NS, Yesterday-NS, as well as myself and Total Country-NS. We will also be supplying back up for the individual guests (Claudette Norman-NB, Darrin Lively-NS, Myra LeBlanc-NS, and Shelley Joyce-NS) who will perform with my band.

I am always looking for festival sponsors: Sponsorship opportunities provide maximum visibility for your company or product. If you would like to advertise in the program given out at the gate at the festival, or in this newsletter, please contact me to discuss options.

Until next time, my personal thought for today is: Longer daylight hours, warm rays from the sun, flowers blooming and the return of the hummingbirds. Great things to be thankful for.

Please feel free to forward this e-zine and websites to your own email list. We can't do it alone and can use all the help we can get.
